NOTICE: A change has been proposed for these lands.

A development application has been submitted to the City of Mississauga to amend the Official Plan and Zoning By-law and approve a plan of subdivision. The property owner wants to change the use of these lands to permit a mixed-use and multi-phase project that will create a waterfront community with 2,500 new residential units (townhouses, mid-rise, and high-rise), retail and amenity spaces, parkland, and campus uses.
